4. **Matters Arising**

A brief report was given on the meeting between WilCAP and TapCAP that Rachael and Ivan attended at Tisbury. This was felt to be quite a negative meeting in terms of outcome and did not really fulfil any objectives that WilCAP may have had.

Laura reported and explained about SCOB and what Wiltshire County Council were trying to achieve in terms of housing various local services on one campus. Discussion took place about this issue and what this actually meant.
5. **The Joint Strategic Needs Meeting at Dinton**

Further discussion took place about the JSN meeting that was held at Dinton Village Hall. The question being asked was did it produce anything of value ? Some members thought that it was all really about money at the end of the day or was it possible to look at some of the issues raised on the evening.

Laura urged WilCAP to look closely at some the issues raised and see if they could begin to look at something that could be taken forward.

A number of WilCAP members were of the opinion that unless the group did make an effort to grab hold of something it was looking more likely that the CAP would not continue.

It was therefore decided that WilCAP would try and investigate the higher incidence of Asthma in the Wilton Area. Clive Upton agreed to lead on this with Trevor Long also prepared to assist in looking more closely on this issue.
6. **Website Update.**

Rachael reported that the website had received some 2200 views since it went live. A good number of Views were related to the Eco Project but there were some other links within the community as well. Rachael also mentioned that she was still keen to have other ideas for the website and any other would be gratefully received.
7. **Treasurers Report** The treasurer reported a balance of £5300;95
8. **Correspondance/Information**

There was a new WfCAP website  
Future Events- WfCAP Conference April 21<sup>st</sup> Devizes Town Hall- Laura outlined some of the events that would be happening on that day.

Rachael mentioned some forthcoming social media training.
