

Want to know more about how to stay warm this winter?

Save money on your heating bills

For free or discounted loft and cavity wall insulation call 0800 512 012 for Wiltshire Council's warm and well scheme or go to www.warmandwell.co.uk or ring 01722 434349 for Wiltshire Council's home energy adviser.

Advice on how to make your home warmer and to access grants

Ridgeway Care & Repair (part of Aster Living) can offer you advice on how to make your home warmer, healthier and more energy efficient.

Get information on heating or insulation grants that could be available to you. If you have low income or a health condition the work may even be free. Ridgeway can also help arrange private works with reputable trusted contractors. Call for more information on (01380) 829009, textphone 07720 700200 or email wcr@asterliving.co.uk

Benefit advice

For advice on help with benefits and paying your fuel bills, contact Wiltshire Citizens Advice Bureau on 0844 375 2775 or 0300 456 8375.
