Sponsorship Deals Needed!

# Let's make Wilton the BEST town in Wiltshire and celebrate these special occasions!

2012 sees three amazing events happening in Wilton.

HM The Queen celebrates her Diamond Jubilee in June and Wilton is staging four days of events in the town in tribute.

Something for everyone, tea parties, flower festival, variety concert, band concerts, pub garden party, and an exciting FREE Street Party in the Square with stalls, live music, dances, food, drink, kids tea party, games and entertainments. Wilton children will get their own commemoration medallion. Parents have to fill in a form for their children's medallions before 21st May. Available all over Wilton.

Saturday 2nd June -

Tuesday 5th June

This will be a celebration like Wilton has never seen before! See back page for timetable.

Saturday 7th July 12.30pm - 5.00pm

The annual Wilton Community Carnival takes place in the town with a spectacular day of family events. Starting with the procession at 12.30pm - theme "Royalty" - and continuing on Castle Meadow with the brand new pavilion. Bands, cars, stalls, stands, bar, BBQ, dancers, kids rides and games, dog show, quad bikes, car boots and all the usual goodies.

THURSDAY 12th JULY around 8.22am

**OLYMPIC TORCH COMES THROUGH WILTON!**

Wilton is honoured to be included for the most prestigious event this century as the Olympic Torch comes through the town in the early morning. Everyone should see this unique thrilling occasion and we'll serve a free breakfast afterwards!

# How YOU can help!

## Events like these don't grow on trees!

Although we hope the flags and bunting will!

We are going to put the flags and bunting up at the end of May so Wilton will be decorated for the Jubilee Weekend and we shall leave them there right through until the end of the Olympics in August! Organising such special events for Wilton, which will be in the national and international spotlight, is a challenge and it will take a lot of local community effort and a fair bit of money to put this together. [The Jubilee Working Group is made up of volunteers from many local organisations and we think we can do it with everyone's help!](#)

We are asking for financial donations from businesses, organisations and individuals and apart from that we need help in kind. Delivering letters, putting up posters, man and van, help on the day, electricians, food for the kids tea party, marshals, transport for our older residents, putting flags up, setting up, and so on... contact Gary Nunn for more details. 01722 744949
